Benefit recipients who are elderly, disabled or homeless may use their EBT card to purchase meals at authorized restaurants. If you qualify for RMP you can use it statewide wherever it is accepted. Currently, only Alameda, Los Angeles, Orange, Riverside, Sacramento, San Diego, San Francisco, San Luis Obispo, Santa Clara and Santa Cruz counties authorize restaurants to accept EBT. Not all restaurants in a county are authorized to accept EBT. Please call the respective county office to get a list of authorized restaurants.

About Your PIN

- Your four secret numbers are called a Personal Identification Number or PIN for short.
- Every time you use your card, you will need to use your PIN or your card will NOT work and you will NOT be able to use your benefits
- Keep your PIN to yourself. Avoid telling other people your PIN.

How to Keep Your PIN Safe

- NEVER write your PIN on your card, the card sleeve or on anything you keep with your card.
- Keep your PIN secret. NEVER give your PIN to your caseworker, family members, store cashiers or anyone else unless you want them to be able to get ALL your benefits.
- NEVER use your PIN if you think someone is watching you.
- When you use your EBT Card, you have up to four tries to enter your PIN. If your fourth try is incorrect, you will not be able to use your card again until after midnight. If you cannot remember your PIN, call Customer Service (the phone number is listed on the back of your card). Customer Service does NOT know your PIN but will help you change your PIN.
- If someone learns your PIN without your OK, call the Customer Service number right away or visit your public welfare office to change your PIN.

- If someone takes your card and knows your PIN, they can use your benefits! Call Customer Service immediately to cancel your card. If benefits are taken by someone else before you call Customer Service, **YOUR BENEFITS WILL NOT BE REPLACED.**

If you want to purchase eligible food items and the POS device is not working or there is not one at the store, the cashier will fill out a paper voucher. Some merchants like mobile vendors do not have POS devices. The cashier will write in your EBT Card number and the amount you are spending. **DO NOT** give the cashier your PIN. The cashier will call to see if you have enough benefits in your account to buy the food. If there is enough in your account, you will be asked to sign the voucher and will be given a copy of it. It is very important to keep this copy so you can subtract what you spent from the balance shown on your last EBT receipt. This will give you the current amount in your account.

You cannot use a voucher to get money from your cash benefits account.

DO NOT...

- Keep your card and PIN together.
- Write your PIN on your card.
- Damage or bend your card.
- Write on or scratch the black stripe on the back.
- Leave your card laying around.
- Put your card near magnets, TVs, DVD players, CD players, stereos.
- Leave your card in the sun, like on the dashboard of a car because it will melt up and not work.
- Throw your card away, even if you move. You will use the same card every month as long as you receive benefits.

ATM Safety Tips

- Always put your card in a safe place after using it.
- Have your EBT card ready.
- Choose a well-lit ATM in a place where you feel safe (like inside a store).
- Stand so that no one can see the PIN you use.
- Count your money if you feel it is safe.
- Put your cash, card, and receipt away quickly.

If your card is lost or stolen, call Customer Service right away. They will put a lock on your card and tell you how to get a new card. It's important that you call Customer Service as soon as

possible! It may take up to seven business days to get a new card.

Surcharges

A surcharge is a service fee that some stores and banks may charge you each time you get cash benefits with your EBT Card. Before you use your card, look for a notice telling you about this surcharge on the ATM screen, or on a sign near the POS device in stores. If you do not want to pay a surcharge, you can choose another location by looking on www.ebt.ca.gov, texting as directed on this pamphlet or checking with your local welfare department to find out where you can get your cash without paying a surcharge.

Direct Deposit

All counties have direct deposit. You can choose to have your cash benefits sent directly into your personal bank or credit union account instead of using EBT. Direct deposit is free. Tell your county welfare department that you would like direct deposit.

The day of the month you get your EBT food benefits and/or cash benefits is based on the last number of your case number.
